

Approved PACE Program Provider, FAGD/MAGD Credit Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. 8/1/17 to 7/31/23

COURSE DESCRIPTION

Day 1 of the course will present a systemized approach to treatment planning and case presentation. This comprehensive approach covers the areas of esthetics, function and health. Decision points and data necessary to plan for success in all three areas will be discussed. Also presented are the top clinical tips and techniques in the areas of prevention, posterior composites and indirect all ceramics. **Day 2** will cover the variety of materials and techniques available today to take your composites to the next level, so your team and patients are raving about the esthetic results. Total etch and self-etch techniques, as well as the risks and benefits of each will be presented. A systematic method of evaluating different generations of dental adhesives is offered.

SIU School of Dental Medicine is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. SIU School of Dental Medicine designates this activity for continuing education credits. This continuing education activity has been planned and implemented in accordance with the Standards of the ADA CERP through joint efforts between SIU School of Dental Medicine and Central Illinois Academy of General Dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.
