

## About the Speaker:

### Kevin D. Anderson, DDS, MAGD

Dr. Kevin Anderson, MAGD has learned from the best investors of our time including Warren Buffett. Kevin graduated from University of the Pacific Arthur A. Dugoni School of Dentistry at the age of 23, completed a GPR at USC and then practiced dentistry in San Diego for 19 years. His personal investment success allowed him to retire from dentistry at the age of 43. He went on to be Treasurer of the national Academy of General Dentistry where he dramatically turned around the fortunes of the AGD portfolio, increasing the Academy reserves from \$2.2 million to \$6.4 million in two years ultimately putting the AGD in the position of purchasing its' own building in downtown Chicago. Kevin continues to reside in San Diego with his wife and two children where he founded and manages the Anderson Investment Fund, LP, a private long only equity fund for high net worth individuals, corporations and retirement plans. .
