The Illinois Academy of General Dentistry, in conjunction with the Wisconsin Academy of General Dentistry, is pleased to present this program leading to Mastership certification in the Academy. To complete the Mastership Program, candidates must enroll for 600 hours of continuing education, 400 of which must be of participatory nature.

#### **CE Credits**

16 hours of participation credit for those who attend the 2 days of lecture and hands-on. 34 total hours of participation credit to those who attend the 2 days of lecture and hands-on, complete the assigned protocol in their office, and return to document the protocol assignment.

# **Protocol Reporting Session**

Protocol reporting will now be done virtually by pre-arranging with the Mastertrack directors.

#### Who Should Attend?

These hands-on programs were originally designed for AGD Fellows striving to be AGD Masters, but we've learned that these programs can be valuable to all dentists–from new grads to the most experienced clinicians.

# Illinois Academy of General Dentistry

Sy Wachtenheim, D.D.S., M.A.G.D. 7031 W. Touhy Ave., #306 Niles, IL 60714-4394

# **Speaker's Biography**

Dr. Cohn is a general dentist devoted solely to the practice of dentistry for children. She maintains a private practice at Kids Dental in Winnipeg, Canada. She is proud to be a member of Catapult Elite, Pierre Fauchard Academy, and has been named a Leader in Continuing Education multiple years in a row. She enjoys lecturing on all aspects of children's dentistry both nationally and internationally.

# **Course Description**

This course will give you practical points on how to treat your little patients well. Restorative treatment options and their clinical indications will be presented. A variety of dental materials and procedures in anterior and posterior teeth will be demonstrated and practiced. Learn how your youngest patients will become the best part of your day. Treat your kids well and your practice will soar.

# **Course Objectives**

The participant will learn:

- how to use a variety of restorative materials
- · efficient restorative techniques
- how to treat anterior and posterior decay esthetically in the primary dentition
- how to manage children...and their parents
- how to manage special patient needs kids Common special needs will be addressed.
   Strategies will be discussed to facilitate treatment to reach those treatment objectives.

#### **New Dentists!!!**

Three full Scholarships will be made available at each program to AGD member dentists who have graduated less than 3 years ago! For information, contact: Dr. Sy Wachtenheim at tzaner2@gmail.com or call 847-858-1927.

# **Payment**

# Register online at ilagd.org

or return your completed registration form with your credit card information or a check payable to Illinois Academy of General Dentistry to: Dr. Sy Wachtenheim 7031 W. Touhy Ave., #306 Niles, Illinois 60714 or fax to 847-905-7271

### **For Further Information**

Contact Dr. Sy Wachtenheim: Phone: 847-858-1927, Fax: 847-905-7271, or email: tzaner2@gmail.com For optimum response to your phone call, please identify your call as regarding AGD.

This course will be a Zoom Virtual meeting/ Webinar and will require the use of a computer (preferably) or tablet and the doctor will need to enable video and audio for the course.

# **Pediatric Typodont**

All registrants will be mailed a Pediatric Typodont to use during the hands-on portion of this program. We are increasing the course tuition by \$100.00 to pay for half the cost of the Typodont, so you can keep it for use in your office.

Prior to the course, other materials will be mailed to you. More information will be forthcoming via email and the website.

Presenting a program of this nature is a group effort and would not be possible without the assistance of many individuals and companies. A complete listing of contributing companies will be available at the program site.
