OVERVIEW:

What do dentists need to know about medical malpractice? This program will discuss top allegations made against dentists in malpractice lawsuits as well as patient injuries and outcomes. Using this information, dentists can examine their own practices in relation to the claims and losses experienced by their peers. Selected claims asserted against dentists will be discussed, along with professional liability insurance basics and risk management tools.

OBJECTIVES:

- Define professional liability and understand the elements of malpractice.
- List the leading allegations made against dentists in malpractice lawsuits.
- Identify key risk management tools that dentists can incorporate into their practice.

SPEAKER INFORMATION:

Jennifer Flynn, CPHRM, Risk Manager, Dentist's Advantage

Ronald R. Zentz, RPh, DDS, FAGD, CPHRM, Dental Risk Control Consulting Director, CNA Healthcare
